

STATEMENT OF PURPOSE

RS22805

This proposed change to Idaho Code 49-1011 provides for an allowable excess weight provision of 2000 pounds for the inadvertent accumulation of mud, snow, water or other such substance over the allowable loaded gross weight of the vehicle or combination of vehicles. There are many instances where it is unsafe to remove the excess accumulation prior to crossing a scale facility.

FISCAL NOTE

This is no fiscal impact to this bill.
